

A FUN WAY OF CELEBRATING CANADA'S 150TH BIRTHDAY

How To Play Canada 150 Bingo

- Find and read books by Canadian authors that correspond to the bingo squares. You can use a title only once per game. For example, *Fifteen Dogs* is both a Canada Reads winner and a book with a number in the title; you can use it in one square, only.
- You can post about your reads on Facebook and Twitter. Be sure to tag us using the hashtags provided below.
- When you complete a line of five — across, down, or diagonally — come to the library and hand in your bingo card at any staff desk to get a draw slip. You can also submit your bingo electronically. Visit www.nvcl.ca to find out how.
- Each completed bingo line gives you a chance to win a prize.
- The contest closes on September 5, 2017.
